

## 11<sup>th</sup> Demographic Conference of "Young Demographers"

### Actual Demographic Research of Young Demographers (not only) in Europe

5<sup>th</sup> to 7<sup>th</sup> February 2020 (Thursday - Friday)

#### Call for Papers

Dear colleagues,

On behalf of the Young Demographers, Department of Demography and Geodemography and the Geographical Institute (Charles University, Faculty of Science) we would like to invite you to the 11<sup>th</sup> Demographic Conference of Young Demographers called traditionally “**Actual Demographic Research of Young Demographers (not only) in Europe**”.

The conference is planned for three days (5<sup>th</sup> to 7<sup>th</sup> February 2020) and will take place at the Faculty of Science, Charles University, Albertov 6, Prague 2. All participants will have the possibility to present their actual research and discuss it with colleagues from other countries or fields of study. Although the conference is focused mostly on Ph.D. students of Demography, all young (or a bit older) researches (**not only demographers** – a section for non-demographers is planned) will be welcomed. The working language will be English.

It is our pleasure to announce that **Dr. Domantas Jasilionis** will give a key-note lecture. Domantas works as a research scientist at MPIDR and he is mainly focusing on gender differences in health. Following last years' success, a workshop will be included in the conference program.

If you are interested in participating, please submit the **title** of your proposed presentation, a **short abstract** in English (maximum 250 words) and 3–5 **keywords** via [registration form](http://www.demografove.estranky.cz/en/) (the link could be found on our website <http://www.demografove.estranky.cz/en/>) **before the 22<sup>nd</sup> October 2019**. You will be informed about the acceptance before the 15<sup>th</sup> December 2019. We are sorry to inform you that there is neither any foundation of your transport and living expenditures nor we can offer you any financial support.

For more information please visit our website (<http://www.demografove.estranky.cz/en/>).
